1. Lord I Was drowning 2. Just as I thought	in despair, ~ approach Was near ~	and no longer Jesus took away my fears ~	felt the air, ~ Jesus took away my fears ~
but when I turned to thee in tears, ~ then all my burden He destroyed ~	His glory in me restored ~		
Jesus Christ O Lamb of God ~	light my path wherever I go ~		
Have mercy on me O Lord ~	let thy lamp in me to glow ~		
Accept my heart & make it thine, It shall be no longer mine. All that I am & all I do, I surrender unto you.			
I have resolved to stand with thee, For thy blood was shed for me, To redeem me from sin & strife Now & all days of my life.
