TRANSLATIONS
 My brethren, let us sing the Lord
 that offering we bring before him, accept it
 and receive it in our hands.

Christ our Lord who was brought forth from the
 womb of a virgin, we praise God for the birth of his Son,
 the firstborn of all creation, who has redeemed us
 from all iniquity, and made us a new people,
 who are zealous of good works.

① Almighty God we thank you for the birth of your Son,
 Jesus Christ, who has redeemed us from all iniquity,
 Oh Lord we have come to offer praise to you.

② Our Redeemer, who has redeemed us from all iniquity,
 our help in time of need, who has redeemed us from
 all iniquity, and made us a new people, who are
 zealous of good works, help us to live
 O God, who has redeemed us from all iniquity,
 who has redeemed us from all iniquity, and made us
 a new people, who are zealous of good works.
