3. And ye, beneath life's crushing load,
Whose forms are bending low,
Who toil along the climbing way
With painful steps and slow,
Look now! for glad and golden hours
Come swiftly on the wing.
O rest beside the weary rose,
And hear the angels sing!

-2- IT CAME UPON THE MIDNIGHT CLEAR — Concluded—

4. For lo! the days are hastening on,
By Prophet seen of old,
When with the ever-circling years
Shall come the time foretold
When peace shall over all the earth
Its ancient splendours fling,
And the whole world send back the song
Which now the angels sing.
