Arise, O combatants, Nigeria's call obey
 To serve our Fatherland with heart and strength and faith
 The banners of our heroes past shall never be in vain
 To serve with heart and might
 One nation united in freedom, Peace and unity

O God of Creation direct our noble cause
 Guide then our holy war, guide us to our goal the truth to know
 In love and honesty to grow, and living just and true
 Great lofty heights attain
 To build a nation where peace and justice shall reign
