TRANSLATION

God of love
 God, the holy one
 with one voice we have come
 with one heart and one mind
 to give you thanks and praise

Accept oh Lord the gifts of thy children
 Accept them father and sanctify them
 It is from your bounty that we have received them
 Please accept them and sanctify them

Look not on our sins father
 For if you do, who will be found worthy?
 Have mercy on us and accept our gifts
 For we have given from the depth of our heart.

We beseech thee, accept and sanctify them
