2. The long, long night is past, the morning breaks at last; And hush'd the dreadful wail and fury the blast, As o'er the golden hills the day advances fast: The Comforter has Come!
3. The mighty King of Kings, with healing in His wings, To ev-ry Captive Soul a full deli-v'rance brings; And thro' the vacant cells the Song of triumph rings: The Comforter has Come!
4. Oh boundless love Divine! how shall this tongue of mine To wondering mortals tell the matchless grace Divine - That I may with Him dwell, and in His image Shine! The Comforter has Come!
5. Oh, let the echoes fly above the vaulted Sky, And all the Saints above to all below reply In strains of endless love, that Song that ne'er will die; The Comforter has Come!
