1. The Lord's Coming is nearer
level up the hills, fill up all the vales
The Lord's Coming is nearer
Prepare the way for his coming

2. The Lord's glory shall shine forth
The blind will see, clear; and the deaf shall
To those who mourn, He'll comfort
The cry of the oppressed, He'll hear

3. The Lord's Spirit is upon me
The prisoners, set free; broken-hearted
healed.

Flourishing justice shall be,
The scattered, wandering
flock will lead. // REF
