NOTE:

This piece tries to express the true essence of Christmas in it's own little way - The birth of the long awaited "Messiah", who was going to eventually die miserably for us to gain salvation.

The piece further tries to recreate the air that hung over the events that unfolded through from the Angel's visitation to even after Christ birth. It was not exactly a pleasant air. Yet, Heaven rejoiced.

Thus, as much as we would want to enjoy ourselves this yuletide season, let us do well to bear all these in mind. God Bless you.
