2. These holy souls, they suffer on,
Resigned in heart and will,
Until thy high behest is done,
And justice has its fill.
3. For daily faults, for pardoned crime
they joy to undergo
The shadow of thy cross sublime,
the remnant of thy woe
4. Oh, by their patience of delay,
their hope amid their pain
their sacred zeal to burn away
disfigurement and stain
5. Oh by their fire of love, not less
in keenness than in flame;
Oh, by their very helplessness
Oh, by thine own great name
6. Good Jesu, help! Sweet Jesu, aid
The souls to thee most dear,
In prison for the debt unpaid
Of sins committed here.
