Paul and Apollos Cont'd

backbiting, Let us live to-gether as one Aah - aah

Hm Hm, — Hm Hm. Who then is Paul? Who then is Apollos? They don't really matter,

they are on-ly servants. The one who planted, and the one who watered, they don't really mat-

ter, they are only servants, But the Lord our God, is the one who mat-ters.

He who makes the plant to grow, should be the One who matters, the centre of our servanthood, the

reason why we use the gifts He's freely given us, as we work to meet one purpose;

so to glo-ri-fy Your Ho — by Name.

I am but a ves — sel, Use me as You
