2. O morning stars, together
Proclaim the holy birth,
And praises sing to God the King,
And peace to men on earth;
For Christ is born of Mary;
And, gathered all above,
While mortals sleep, the Angels keep
Their watch of wond'ring love.
3. How silently, how silently
The wondrous gift is given!
So God imparts to human hearts
The blessings of his heaven.
No ear may hear his coming;
But in this world of sin,
Where meek souls will receive him, still
The dear Christ enters in.
4. O holy child of Bethlehem,
Descend to us we pray;
Cast out our sin, and enter in,
Be born in us to-day,
We hear the Christmas Angels,
The great glad tidings tell:
O come to us, abide with us
O Lord Emmanuel.

2. THEY looked up and saw a star
Shining in the east, beyond them far;
And to the earth it gave great light,
And so it continued both day and night.
3. AND by the light of that same star,
Three wise men came from country far;
To seek for a King was their intent,
And to follow the star wherever it went.
4. THIS star drew nigh to the north-west,
O'er Bethlehem it took its rest,
And there it did both stop and stay
Right over the place where Jesus lay.

Wherefore have ye left your sheep
On the lonely mountain sleep?

Teach us to resemble Thee

And lifted up to that glowing star.

Together to Him than angel tunes
Are songs that come from His little ones
