only	Soul arise and bless	the Lord God, O God	in majesty en-robbed with powr	and eter-nal might

2. You are clothed with Splendour and
with beauty
O God and heavenly light
Is like a cloud that conceals your face
3. You have built your palace on the waters
On wings of winds and fire
You reign in heav'n, rule supreme on
earth.
4. Like the winds your angels fly before
you
As fire and flaming light
Your ministers stand before your
throne
5. For the earth you fixed its foundations
Indeed, it shall stand firm
And not be moved for unending years
6. On the earth the waters spread their
mantle
And seas filled all the land
Above the earth stood the rising flood
7. When they heard on high your voice of
thunder
In fear they took to flight and
at your reproach, they dispersed, fled
8. By your word, there sprang up hills and
mountains
On earth the dry land rose
And in their place, rested glens and vales
9. Your command set bounds on all the waters
And they shall not return
They may not pass limits you have set
10. Torrents fill the valleys at your order
While streams and rivers flow
Refresh the beasts, slake the thirst
of man
11. From their nests, the birds give praise
and glory to you, O lord of hosts
From every branch, join in songs of
praise
12. In green fields you feed your sheep
and cattle. And all your creatures lord
And yet to men, you have given more
13. There is wine to cheer the heart of
mankind, the wheat for man makes
bread, And oil is used to anoint his
head
14. While I live, I sing the praise of yahweh
O lord, your glorious praise
My lips proclaim: Blessed be the lord
