2. Only the fools will say
"There is no God"
Terrible things they've done
for they are corrupt
Who made the moon?
Who made the Sun?
Where comes your life?
I will praise His name, for the Lord
is good.

3. Great is the Lord and the
work of His Hands
Great is His glorious name
Just are His commands
Sing to the Lord
Sing of His name
All knees shall bow
I will praise His name, for the Lord
is good.
